

Embryo Transfer Enrollment

This form and enrollment fee must be submitted to the GVHS before the collection of an embryo. The enrollment, once completed is not transferable or refundable. Only one enrollment per mare, per calendar year is required regardless of the number of embryos being transferred from the mare.

This is notification of the intent to transfer an embryo (or embryos) from the mare:

Breeding Year

A horse foaled by a mare that is not its genetic dam, but transferred to her by embryo transfer technique shall be eligible for registration under the following rules:

1. Both the genetic dam and sire (parents) of the resulting foal must be registered in the regular Gypsy Vanner studbook of the GVHS.
2. Prior to the intended collection of the fertilized egg, owner of record (or lessee) of the mare has notified the GVHS of this intent by filing this enrollment form and paying the \$100 fee. If the enrollment form is filed after collection, but before foaling there is a \$25 late fee. If filed after foaling there is a \$50 late fee.
3. This enrollment must be made each year that a transfer is to be performed and the fee is not refundable or transferable.
4. This enrollment must be on file in order for the resulting foal to be registered. The registration process will be the same as stated in the general registration rules for horses with GVHS registered parents.
5. When a foal is produced by embryo transfer it will be listed on its registration certificate.
