ronniegbinc@gmail.com

General Horse Experience: I grew up riding and showing on the Hunter/Jumper and Arabian show circuits both local and “A” rated shows. My parents have been breeding, training and showing Percheron draft horses for twenty plus years. Growing up my parents always promoted my riding and involvement with horses, as they were actively involved with horses themselves. I had the ability to ride Hunter, Jumper, Western, English and Driving classes as a junior exhibitor. While earning my Bachelors Degree from Cazenovia College, I went to train and work for as an assistant trainer and then started my own teaching/training business.

Personal View on Judging: I have a strong ethical code and believe things should be done correctly and by the specs written for each class/division. The industry as a whole need judges that care about the breed(s) and the people showing, so that people are encouraged to continue to show and be introduced to the horse industry.

Higher Education Experience:

2011 Cazenovia College graduate – Bachelors Degree in Business Management with an Equine Specialization, Cazenovia NY
