Questions? Call 888-520-9777 ext.1

Once we have processed your application and assigned a registration number we will send you a DNA form to be used to send in the hair sample for the parentage, color, and PSSM1 testing as chosen .

All color and PSSM1 results will be sent to the GVHS and a copy provided to you. Color test results will be recorded in our system and on your registration certificate.

When you choose PSSM testing through the GVHS we reserve the right to retain this information in our records for potential future research study. No PSSM test will be made public without express permission from the owner of record.
