VANNER ADVANTAGE AWARDS PROGRAM

The Vanner Advantage Program is a GVHS program that provides awards to those who take their Gypsy Vanner out to events to present the breed to the public. The points are accumulated based on individual horse.

Points are given to Registered Gypsy Vanner Horses whose owner is a GVHS member during the Program year. You must track your program events and submit your form by January 15th following the event year.

An example of the types of events that qualify for Vanner Advantage points: open shows, expositions; long distance events; American Driving Society events; pleasure driving events such as Driving Club drives; organized trail rides; clinics, parades.

Points are awarded based on 1 point per class, or per event day depending on what type of event it is. Each year the GVHS gives awards to horses that are in the top ten accumulated points level. There are also points awarded to youth Members who are Vanner Advantage participants. These points are assigned based on the youth participation in events. Both the youth and the youth's horse can potentially win awards.

Some of the previous first place high point Vanner Advantage Horses are:

2012 – N'Co Mr. Bikers Nightster – owner Rita Ostrom

2011 – SR Just Bucking Around – owner Feathered Gold Stables
