My Father started breeding and raising Shetland Pony's in the late 50's and was extremely successful both in breeding and showing . His first love was that of Driving pony and had many National Champions. He was most known for his 8 up hitch that he traveled all over the U.S doing Large Parades and Rodeos . they also received the Title of AMHA National Champion Hitch in 1986. I helped with his showing and training until he retired and passed the business to me.. Since taking over Cross Country Farm I have bred many National Grand champion Miniatures and American Shetland Pony.
