My experience in the equine industry began when I was a youth and grew eventually into a training facility for Morgans. For nearly 25 years, I trained and showed in western pleasure, english pleasure, hunter under saddle, park saddle and driving. I also coached equitation riders in both saddle seat, hunt seat and stock seat. During this time, I held my judge's card in the Morgan division of what was then, the AHSA (now USEF). In addition to Morgan shows, I have judged numerous open and 4-H shows across the eastern US.

I have been showing at AMHR/ASPC shows for over 25 years. In 2012, our stallion that we bred and raised was National GRAND CHAMPION Stallion, (Under). He has since sired a Supreme Futurity Champion at the AMHR Nationals, several AMHR National champions and a Congress Grand Champion. He was recently syndicated to three owners in Europe.

For the last four years, I have enjoyed exhibiting a mare in the ASPC Modern Pleasure division, finishing her halter HOF in 2017. This year I added a weanling filly to my show string and her first time out, she became a Congress Champion.

I hold judges cards AMHA, AMHR, ASPC, ASPR and Modern ASPC division, GVHS and GHRA. I have judged numerous shows across the US, in Canada and Europe.

I judge because I truly love it ! I strive to be easy to work with and to always judge with integrity and honesty.
