

Susan J Bragg

I was born August 5, 1952. I started judging in the 4H when I was a teenager. I have held my PHBA (Palomino Horse Breeders of America) judges card for 33 years. I have judged the PHBA Youth World Show twice, the PHBA Open/Amateur World Show twice, I have judged PHBA shows all the the United States. I have judged local Open All breed shows for over 40 years. I was introduced to the Gypsy Vanner about five years ago by Gail Shrine, when she asked me to judge for her on a guest card, I was so impressed by the breed that I pursed getting my Gypsy Vanner card in 2018 by attending the seminar held in Florida. I attend the International Equine Judges Seminar in Tulsa, OK every three years to keep my judging status current, I am attending again this week to update my judges status.
