Questions? Call 888-520-9777 ext.2

Once we have processed your application and assigned a registration number we will send you a DNA form to be used to send in the hair sample for the testing as chosen. All color, PSSM1, and FIS results will be sent to the GVHS and a copy provided to you. Color test results will be recorded in our system and on your registration certificate. PSSM1 and FIS results will be on the back of the registration certificate, and will be recorded in the database.
