

Sally Chamberlain

I live in North Wales UK with my husband and own the successful Mannog Appaloosa Stud. www.mannogappaloosas.com

I have been an APHC USA judge for over 15 years and also hold AMHA, AMHR, and ASPC miniatures cards, the only judge in Europe to hold all three miniature registries . All my USA cards were tested/applicant judged in the USA.

I am also multi carded in the UK ranging from Foreign Breeds (Lusitanos, PREs, Friesians, Haflingers etc), Retrained Racehorses, Coloured Horses & Ponies of all shapes, sizes and types, British Palomino Society, Veteran Horse Society (for any equine aged 15 years plus), plus a number of UK based Miniature Societies.

I have had the privilege of judging in South Africa and Europe and in the UK my shows range from open riding club shows to County & Championship level. I have judged at Royal Windsor, Royal Cornwall and Royal Kent to name just a few. I can judge in hand/halter, Ridden (English & Western), and Working Hunter. I am happy to travel anywhere anytime.
