My experience in the equine industry began when I was a youth and eventually grew into a training facility for Morgan horses. For nearly 25 years, I trained and shown in western pleasure, english pleasure, hunter under saddle, park saddle and driving. I also coached equitation riders in saddle seat, hunt seat and stock seat. During this time, I held my judge's card for the Morgan division of the AHSA. In addition to Morgan shows, I have judged numerous open and 4-H shows across the eastern United States.

I have been showing at AMHR/ASPC shows for over 25 years. Prior to that, I showed Morgan horses for more than 30 years. In 2022, I judged the AMHR Nationals in Tulsa, OK. I hold judge's cards in USEF Shetlands and Morgans, AMHA, AMHR, Classic ASPC, ASPR and Modern ASPC division as well as GVHS and GHRA. I have judged numerous shows across the United States as well as in Canada and Europe. I was also honored to judge the 2023 Gypsy National Championships.
