

## Board of Directors Meeting Minutes January 23, 2024

Attending members: Gale Rempel, Samantha Crook, Denise Shaw, Angela Wiggs, Samantha Van Sickle, Kate Walls, Misha Duvernoy

Meeting start time: 7:40 pm ET

### **MINUTES**

1. Approved minutes from December 5, 2023 BOD meeting; motion made by Kate Walls to approve, seconded by Samantha Van Sickle
2. Minutes from December 30, 2023 meeting needed several updates

### **Committee Reports**

**Finance Committee** Year end budget and financials were sent to Board Members. Year-end document included comparison from 2022 to 2023. Motion was made by Samantha Van Sickle to accept and approve Financials and 2024 Budget, seconded by Samantha Crook. Board voted in favor.

### **Shows Committee**

Committee members agreed that they need to prioritize topics and focus on issues

1. Show points
2. Adult Amateur
3. Amount of points needed for life time award

There are new people on the committee who need to be brought up to speed on previous research and discussion on committee issues before continuing.

Discussion was held on committee members who volunteered but have not participated or contributed to committee. It was suggested that if the committee member(s) were over-extended time-wise GVHS should ask the member if they would like to take a year off to let another member participate then come back when he/she has the time to work on committee issues.

Additional discussion if it is possible to send a survey to Amateur riders only to get their opinions and ideas on AOE and Life-time Amateur Award. Technical discussion was

held on how to create the amateur list that would account for when GVHS member declared amateur status. It was decided that the member would have to have their amateur card active to complete the survey that would include:

1. How the program is working
2. The direction of the program in the future
3. Other thoughts and suggestions regarding the program.

### **Registration Committee**

Rule change discussion was led by Angela Wiggs regarding a possible rules change to accommodate an alternate position on the Registration Committee.

Currently there are four members and one alternate. Rules specify the GVHS President must serve as the alternate. Rules further specify there needs to be five members and one alternate. There are no term limits on the Registration Committee. It was decided that Gale will be moved into the Alternate position while GVHS Board President will put together a list of qualified candidates to train for the committee.

Trainee needs to be

1. General or Life Time Member.
2. Cannot be a judge

The Registration Committee has been consistent in membership for more than ten (10) years, it was felt it was a good thing to add new members to the committee.

Board member, Samantha Van Sickle suggested putting together a training module for future Registration Committee Members. Samantha thought a module could be put together within 30 days. The training would include pictures from past registration meetings for practice in evaluating registrants per GVHS confirmation standards.

Board will ask Barb if she will continue on the Committee for another 30 days until a new member(s) is trained and approved by the Board.

### **Evaluations Committee 2024 Dates**

Jacksonville, FL completed 30 evaluations

Alberta, Canada Fall date TBD

Jackson, OH July 25, 2024 (tentative addition)

Winona, MN September 20, 2024

Cobleskill, NY October 14, 2024

GVHS Board members are receiving additional Evaluation inquiries.

The committee is working on updating evaluation forms. One form for horses three (3) years and under and a second form for mature horses. Currently using the same form for both.

Board discussed evaluation regarding “birth date” since some areas do not hold evaluations every year if the candidate horse can have flexibility on three (3) and under vs mature horse evaluation. Gale will take issue to the committee for a resolution.

### **Publications Committee**

Heidi received 100% of Award pictures for the Banquet Booklet and Vanner Magazine.

### **Marketing & Publications Committee**

No clear direction regarding the Gypsy Vanner marketing video.

It was decided to put this discussion on hold until after the AGM was complete at the end of February.

### **Licensed Officials Committee**

Nothing to report although the Board is still looking for individuals to be licensed officials.

### **Grievance Committee**

No issues to report

### **Youth Committee**

Thirteen Youth have signed up for the art contests (3 in the 13-18 age group; the rest in 12 and under age group)

Five youth have signed up for the speech contest.

Judges will send evaluations to Angela Wiggs for announcement of placings at the AGM.

A silent auction will be held during the AGM on the art work. The main rule for auction is that family member of artist cannot bid on that item.

A list of award placings will be sent to Angela Wiggs so she can order awards.

**Rules & Bylaws Committee** no report

**Nominations Committee** no report

### **Animal Welfare &**

### **Unsportsmanlike Conduct Committee**

It was decided that Bill Roy be asked to work on this committee. After training on identifying abuse and evidence gather, etc. it was felt that Bill would be a good communicator to help with this committee.

### **Regional Representatives (formerly Advisory Committee)**

Still many openings for Regional Representatives. However, Region 1 and 3 have more than one volunteer which will need a vote. The discussion included means of finding

volunteers to work as regional representative including contacting members directly through the Board to ask if they would serve in this position.

Again, this was tabled until after the AGM.

Responsibilities for Regional Representative will include:

1. Contact people in the region for opinions and ideas
2. Help with shows—work as show liaison back to GVHS Board
3. Improve communication with members especially in areas with low numbers of GVHS members.

## **OLD BUSINESS**

**Regional shows for 2024** – shows/locations TBD

**AGM 2024** – Update Misha Duvernoy.

Show Tip Slide Show presentation-Misha Duvernoy

**Technical Delegate** continued discussion at a later date.

## **NEW BUSINESS**

### **2024 Gypsy Live! Horse Shows**

Fee for using GVHS Rules and Sponsorship was discussed.

Show Managers **MUST** use GVHS Rules

1. Equine welfare is put in place
2. Protect Exhibitors

Gypsy Live Horse Show wants to use their own rules. To do so is contrary to GVHS Rules and Philosophy.

Letter will be prepared by Samantha VanSickle for Board review regarding the necessity of Show Managers wanting GVHS Endorsement having to use GVHS Rules. The letter will be prepared in PDF format so no changes can be made once the Board has approved letter.

### **Business Hours** -Gale Rempel

Discuss on posting business hours on website.

Proposed office hours might be 8 am – 4 pm EST. Create message on phone if GVHS is not able to answer within business hours they would receive an answer same day if possible or within 24 hours. Any calls after hours will be returned the next day.

No hours suggested for Registrar

There was discussion that Angela Wiggs is paying for her own phone, computer, and internet. It was recommended that the board work on standardizing what should be paid for by the GVHS for administrative support.

SOP need to be done, GVHS has not been able to keep up with administrative procedures since the membership and registration has grown at such a rapid rate.

It was tabled for the board to come up with a recommendation for office hours to publish on the GVHS website and Facebook.

### **Year End Show Results deadline -Gale Rempel**

Due to the end of year time and schedule crunch trying to complete all paperwork including show points, financials, etc., it was suggested to establish a year end deadline of November 30 for completing and submitting all show reports for the year.

### **New Member Welcome -Angela Wiggs**

Board asked what was being done for new members joining GVHS. Currently, a welcome letter and Vanner Magazine are sent to new members. Discussion suggesting a new member's pamphlet be put together by Marketing that would include a welcome letter, instructions for using the GVHS website, services available to members, and possibly mailable swag that is available.

The creation of the pamphlet will be a project for this summer.

### **Member List sort -Gale Rempel**

It was recommended that the current member's list be put into a more useful format that would be better suited for a variety of filters or sorting. Currently, there is no flexibility in sorting the list.

### **New Committee Formation**

Discussion and committee procedure -Gale Rempel

Education Committee was discussed using Katie Dolan's student volunteers for videos.

This was recommended to be part of marketing.

International Communications –Jill Paxton volunteered to develop means for

International communication

Sponsorship & Partner Committee –need to develop a means of contacting companies and business for solicit donations and sponsorships.

### **GVHS Costs vs Revenue -Gale Rempel**

Board needs to focus on cost vs revenue with the goal of putting a minimum of \$10,000 into savings/investment every year. The budget should have one year's worth of savings for emergency spending saved. The savings could be done in monthly increments.

The Board will review the budget and past financial statements to look for area where GVHS can cut costs and spending.

### **2024 Year End Awards Discussion -Angela Wiggs**

Members who have won jackets in the past suggested a different type of award since the jackets do not wear out. Suggestion was made to give patches as awards to put on the jackets rather than give a jacket every year. Tabled for discussion for the 2025 budget and awards.

### **AGM Survey Results:**

One goal is to have the AGM location set for next year by the time the Vanner Magazine is released.

Samantha Van Sickle will send in suggestions to choose from during the next Board meeting schedule for February 13. Board discussed potential to split the AGM into two events

1. One day GVHS member meeting and award banquet
2. Summer three (3) day show/symposium/training.
  - a. Rotate location
  - b. To be held later in the year which was suggested might be more conducive to participation in shows and socializing

Next Meeting: February 13, 2024
